How to Live for Jesus

1

Live in anticipation of eternity with Jesus — our bodies are temporary tents, and groaning in this life should spur us toward the hope of our eternal dwelling with God.

2 Corinthians 5:1

“

Everyone goes somewhere forever, and that person you love deeply, Jesus wouldn't tell them, well done, good and faithful servant.

**Live to please Jesus — aim small, miss small.
Fix your eyes on Christ with intentional,
focused devotion rather than vague spiritual
hopes.**

2 Corinthians 5:9

“

How many mistakes am I away from being that same guy?

Live for the love of Jesus — receive His love, let it control and compel you, then freely give that love to the people around you.

2 Corinthians 5:14

“

The old you is dead. Who you used to be apart from Christ, those things you used to do on the outside, they're dead. They're gone.

4

Live as witnesses of Jesus — as people reconciled to God, we are all ambassadors and ministers of reconciliation, called to verbally share the good news.

2 Corinthians 5:20

“

This isn't just like, I'm just going to hope I somehow please the Lord. I'm going to look at something very specific, and if I miss it, I'm going to be off just by a little bit.
