1

When facing overwhelming circumstances, be alarmed but immediately resolve to inquire of the Lord rather than collapsing into fear or making ungodly alliances.

2 Chronicles 20:3

“

God didn't put Jehoshaphat's story in Scripture just for our entertainment or information or education. He put it there so that we could learn from this story so that when we're in desperate times, we'll know what to do.

2

Begin prayer by affirming God's sovereignty before presenting your need — this positions your mind correctly and gets the attention of heaven.

2 Chronicles 20:6

“

The underlying message is, God will come through for you. Don't make an alliance with a wicked king.

3

Honest desperation before God ('we do not know what to do, but our eyes are on you') is not weakness — it is the posture of faith that activates God's power.

2 Chronicles 20:12

“

I'm just telling you, that is an opening line that pleases the heart of God. When you put that as the preamble and the prelude to whatever the rest of your prayer is, not only are you positioning your mind with right thinking and really good theology, you're getting the attention of heaven.

4

The battle belongs to God, not to us — our role is to take up our position, stand firm, and put praise out front.

2 Chronicles 20:15

“

And I'm fighting. And I'm working. And I'm on the case. And I am on the side of right. And I am on the side of truth. And I'm on the side of justice. And I love you. And I'm for you. I gave my life for you. I am with you.

5

The antidote to fear is not masking it or mustering courage but placing active faith and trust in God.

Psalm 56:3

“

The antidote to fear is faith. It's believing God.

6

Name your places of blessing (Barakas) — remembering where God came through prevents panic and fuels faith for the next battle.

2 Chronicles 20:26

“

How many Barakas you have in your life? 100,000? Name them. Because you're going to need them.
